

In order for the pool to open safely and to the government guidelines, we have had to adopt a new range of measures.

We have employed a new member of staff to undertake regular cleaning, this enables us to keep the toilet and baby changing facilities open. With this in mind, to enable us to open safely and to guidelines, we are initially offering 3 x 1 hour slots per cottage during your stay. As we have 13 cottages to split this between in order to give everyone a fair service, we are asking that you consider booking one morning, one afternoon and one evening session where possible.

The swimming pool opening times are Monday – Saturday from 8am – 7.45pm

We aim to contact all guests 5 days prior to their stay.

Please bring your own pool towels.

We ask you to follow all government guidelines on hygiene and leave all areas as you found them.

- Swimming sessions are an hour long this should include changing.

#### **Before you visit**

- Shower in your cottage before swimming.
- Arrive ready to swim, with your swimsuit under your clothes if possible, showers will not be operating.
- Do not come swimming if you feel unwell.
- Bring any equipment or swimming aids with you, and make sure they are clean.

#### **When you get here**

- Use the hand sanitiser on arrival and remove shoes in the entrance.
- Spend as little time as possible getting changed.

#### **After your swim**

- Leave all areas clean and how you found them.
- Spend as little time as possible changing.
- Shower in your cottage.

#### **Saunas and steam rooms**

- The sauna and steam room remain closed for now.
